

# Carnivore supplementary feed

Feed number: 2994-0  
3750

Suitable for: Carnivores, particularly big cats

## YOUR BENEFITS

- ◊ Perfect addition to meat rations with all the essential nutrients for all big cats
- ◊ Vitamin levels specially tailored to the needs to prevent hypo- and hypervitaminosis
- ◊ Linseed meal extract for natural omega-3 fatty acids
- ◊ Fish meal as a natural source of arachidonic acid
- ◊ Needs-based substitution with arachidonic acid, linoleic and linolenic acid, and taurine for healthy feline carnivores
- ◊ High Ca:P ratio for supplementing the ration of meat with a low proportion of bone
- ◊ Developed in collaboration with zoo veterinarians and in accordance with the latest research results and requirement figures

**We are happy to work with you to create an individual feeding recommendation**
